(a) *Preliminary determination of control.* (1) The Board may issue a preliminary determination of control under

the procedures set forth in this section in any case in which:

(i) Any of the presumptions of control set forth in paragraph (d) of this section is present; or

(ii) It otherwise appears that a company has the power to exercise a controlling influence over the management or policies of a bank or other company.

(2) If the Board makes a preliminary determination of control under this section, the Board shall send notice to the controlling company containing a statement of the facts upon which the preliminary determination is based.

(b) *Response to preliminary determination of control.* Within 30 calendar days of issuance by the Board of a preliminary determination of control or such longer period permitted by the Board, the company against whom the determination has been made shall:

(2) File an application under subpart B or C of this regulation to retain the control relationship; or

(3) Contest the preliminary determination by filing a response, setting forth the facts and circumstances in support of its position that no control exists, and, if desired, requesting a hearing or other proceeding.

(c) *Hearing and final determination.* (1) The Board shall order a formal hearing or other appropriate proceeding upon the request of a company that contests a preliminary determination that the company has the power to exercise a controlling influence over the management or policies of a bank or other company, if the Board finds that material facts are in dispute. The Board may also in its discretion order a formal hearing or other proceeding with respect to a preliminary determination that the company controls voting securities of the bank or other company under the presumptions in paragraph (d)(1) of this section.

(2) At a hearing or other proceeding, any applicable presumptions established by paragraph (d) of this section shall be considered in accordance with the Federal Rules of Evidence and the Board's Rules of Practice for Formal Hearings (12 CFR part 263).

(3) After considering the submissions of the company and other evidence, including the record of any hearing or other proceeding, the Board shall issue a final order determining whether the company controls voting securities, or has the power to exercise a controlling influence over the management or policies, of the bank or other company. If a control relationship is found, the Board may direct the company to terminate the control relationship or to file an application for the Board's approval to retain the control relationship under subpart B or C of this regulation.

(2) In any proceeding under this section, or judicial proceeding under the BHC Act, other than a proceeding in which the Board has made a preliminary determination that a company has the power to exercise a controlling influence over the management or policies of the bank or other company, a company may not be held to have had control over the bank or other company at any given time, unless that company, at the time in question, directly or indirectly owned, controlled,

or had power to vote 5 percent or more of the outstanding shares of any class of voting securities of the bank or other company, or had already been found to have control on the basis of the existence of a controlling influence relationship.
